EXPERIENCE

Metronix Entertainment LLP — Sr. Associate, Marketing
Jaipur, Rajasthan | July 2026 - Present

- Spearheaded Metronix Entertainment's complete **brand identity and content infrastructure** — brand guidelines, visual system, and a **Behance-level brand book** — establishing the company's design language from scratch.
- Led the full **brand and marketing buildout** for Plutus World, Metronix's flagship adventure-park chain (Rohtak, Murthal, Panipat), including competitor research, a **5-year brand equity framework**, and location-specific launch campaigns.
- Developed a **client-acquisition pitch portfolio** to position Metronix as a marketing partner for Jaipur's cafe and club vertical, opening a new business line for the company.

VsupportU — Graphic Designer Associate
Jodhpur, Rajasthan | September 2025 - June 2026

- Led **brand consistency** and visual direction for hospitality and lifestyle clients across digital platforms.
- Designed high-performing social media creatives and **motion graphics**, boosting engagement and campaign reach.
- Produced **short-form video content** and marketing assets, ensuring timely delivery and platform optimization.

Coozmoo Digital Solutions — Graphic Design Trainee
Jodhpur, Rajasthan | February 2025 - April 2025

- Designed digital assets aligned with brand guidelines for **social media**, marketing, and promotional campaigns using **Adobe Photoshop and Illustrator**.
- Collaborated with cross-functional teams to edit and finalize **video content** in **Adobe Premiere Pro**, ensuring professional-grade storytelling through transitions, timing, and audio sync.
- Produced **motion graphics** and animation in After Effects to support global-standard promotional and explainer content across digital platforms.

IIT Roorkee Virtual Labs — Chemistry Virtual Labs Website Developer Intern
Jodhpur, Rajasthan | May 2024 - October 2024

- Developed interactive **2D animations** and scientific simulations using Adobe After Effects and Illustrator for e-learning modules in Chemistry.

- Translated complex chemical experiments into visually accurate and pedagogically effective animations, enhancing virtual lab accessibility.
- Streamlined animation workflows and collaborated with academic teams to ensure scientific accuracy and user-centric design.

HDLC Technologies — Data Science Intern
Jodhpur, Rajasthan | May 2023 - June 2023

- Interned in **Data Science**, working hands-on with **Python** for data analysis and modeling.
- Built foundational understanding of advanced Python libraries and data-handling workflows.

JIET, Jodhpur — Freelance Video Editing, Graphic Design & Motion Graphic Design
Jodhpur, Rajasthan | 2022 - 2025

- Edited after-movies and highlight reels for major college events using Adobe Premiere Pro, ensuring narrative coherence and visual alignment with event objectives.
- Created motion graphics and animated sequences in After Effects for 8+ major cultural and 25+ minor technical events, enhancing audience engagement and campus brand identity.

Freelancing | Private MUN's — Graphic Designer, Video Editor & Motion Graphic Designer
Jodhpur, Rajasthan | October 2023 - Present

- Designed visual branding, social media creatives, and animated logos for flagship events including JIETMUN 2023, TVSMUN 2024, and Solidarieta Conclave 2024, TVSMUN 2024 & Solidarieta Conclave 2026, ensuring brand consistency across platforms.
- Delivered high-quality opening ceremony visuals and design assets using Illustrator and After Effects, enhancing overall event engagement and audience experience.

ACHIEVEMENTS / CERTIFICATIONS

- Successfully completed **Digital Skills: User Experience** from Accenture (FutureLearn), gaining knowledge in UX principles, information architecture, wireframing, prototyping, and usability testing.
- Successfully completed **Complete Web Design** from Udemy, gaining hands-on knowledge in Figma and Webflow.
- Awarded **Best Club of the Year** (2023-2024) as Founder and President of OCULUS JIET Photography Club for leadership qualities and Product and Project Management; received a certification of appreciation for role in JIET's events core team and event media team.
- Received a **Certificate of Excellence** from IIT Roorkee Virtual Labs for working as an intern in 2024, for contributions in creative development, animation, and scientific simulation content.
- Earned **Certificates of Appreciation** from events including BASAL Freshers (2022), Resonance (2023), Reckon Hackathon 5.0 (2024), and Solidarieta Conclave (2024), for contributions in design, branding, and event media.
- **Letter of Participation** in IIT Roorkee Virtual Labs (2022), JIETMUN (2023), and Reckon Hackathon 5.0 (2024) for participation in virtual conceptualization of e-learning and creative collaboration.
