ABOUT

I'm a multidisciplinary Visual Designer with a B.Tech. in Computer Science and Engineering, passionate about blending creativity and technology. My work spans graphic design, motion graphics, video editing, photography, videography, and 2D/3D animation. I'm also exploring UI/UX and VFX as I continue to grow as a designer. I founded my college's Photography Club, reflecting my drive to build creative communities. I bring a strong sense of storytelling, bold visuals, and a constant curiosity to every project I take on.
